

Certification Application

Building upon the foundation understanding of the ISO 27005 risk management framework validated by the Certified Internal Controls Risk Analyst credential, the Certified ISO 27001 Lead Implementer certification by CIS certifies your ability to implement the formal structure, governance, and policy of an ISO 27001 conforming Information Security Management System (ISMS).

Upon completion of this training and certificate program, you will:

- be equipped with knowledge and skills required to implement Information Security Management Systems (ISMS) against the ISMS standards;
- expand your information security management competency;
- increase your credibility through gaining international recognition; and
- improve your résumé and help to increase your earning potential.

The Certified ISO 27001 Lead Implementer™ certification is available to qualified candidates who:

1. **Are a member of CIS in good standing.** If you are not already an Associate member of the CIS certification student body, you must first become a member to pursue the ISO 27001 LI credential. Please see www.certifiedinfosec.com/estore/cis-membership/cis-body-of-certified-professionals-detail for further details.
2. **Attend the required CIS approved curriculum courses.** Seminars may be attended at [live instructor-led sessions](#), [online](#), or a combination of both.
 - CIS Policy Workshop: *ISO 31000 Enterprise Risk Management*
 - CIS Policy Workshop: *ISO 27001 Information Security Management*
3. **Pass the ISO 27001 Lead Implementer Exams.**
For ISO 27001 Lead Implementer certification by CIS, candidates must pass CIS online exams RM101 and ISMS101. CIS exams are administered online and can be taken at your convenience at your home or work through the CIS Learning Center, where your progress and score are monitored and recorded centrally. Your exam results are provided to you automatically upon completion of your exam.
4. **Submit this application kit to the Certification Department at certification@certifiedinfosec.com**
